

## Moza reveals best value electricity plans in Victoria

**Thursday 29 September, 2016:** To help Australians get a better deal on their energy bills, comparison site [Moza.com.au](http://mozo.com.au) today revealed the winners in its inaugural Experts Choice Residential Electricity Awards.

Moza analysed 69 plans from 22 electricity providers to identify the state's best value standard Electricity, Solar-friendly Electricity and GreenPower plans.

Powershop was the biggest winner in Victoria taking out two awards for best value Electricity and Solar-Friendly Electricity, while Red Energy was found to offer the best value GreenPower plan.

"Energy bills can be a significant strain on household finances yet it can be difficult for consumers to cut through the marketing hype around plan discounts and find the best value plan for them," says Moza Director Kirsty Lamont.

"The Experts Choice Awards are designed to recognise those plans and energy providers that offer great ongoing value and help Victorians to cut down on their energy bills."

### About the Moza Experts Choice Awards

The Moza Experts Choice Awards are an initiative that recognises Australia's best value products and helps Australians to save money by choosing better products. Experts Choice Awards are given to those products that represent the best value in their category. In carrying out the Moza Experts Choice Residential Electricity research Moza analysed 266 different products from 26 different electricity providers, based on data contained in Moza's product database as at 14 June 2016 and 14 September 2016 (except VIC where we used 14 December 2015 and 14 September 2016).
